Ofsted

Quality Assurance

Thank you for your kind words of encouragement whilst we had Ofsted visit us this week. This was a rigorous process, as it rightly should be. The report will be drafted and then quality assured. School has the opportunity to respond to the draft, if we feel there are any inaccuracies. Once the report is finalised, we will be delighted to share this with you. We anticipate that this will be some time in December. School staff have worked incredibly hard to address all areas for improvement identified in the last inspection and thoroughly deserve this well earned half term break.

Halloween Disco

A huge thank you to "The Friends of Westmoor" for organising such a fantastic disco for the children. We really appreciate their support and the children had an amazing time.

Training Day

We look forward to welcoming the children back on Tuesday 5th November, after our staff training day

Muddy Fun Run

This has been rescheduled for Wednesday 6th November. I'm sure that your children will be looking forward to this!

Car Park

Sadly, some parents expressed concern at the apparent disregard for safety when collecting children by car from the Key Stage 2 Disco. This was of course the minority. The yellow cross hatch box was blocked, making turning impossible. Some cars overtook others with speed and entered the staff car park. It was dark and many children were dressed in dark outfits. Please put the safety of our children first and use Lidl car park if you are unable to find a space close to school.

Non School Uniform Day

Winning House

The children had such a wonderful time at the Halloween disco, but there were remnants of food and drink on the hall floor! We therefore did not have our usual whole school celebration assembly. We shall have this on Tuesday 5th November and children will be informed then which house has won for the half term. Non school uniform will be for the winning house on Friday 8th November and we will share a message on Seesaw.
