## Anti Bullying Week

*What is this?*

Anti-Bullying Week is an annual UK event coordinated by the Anti Bullying Alliance (ABA). It aims to raise awareness of bullying in schools and other places, to highlight ways of responding to it and preventing it. Taking place in November each year since 2002, it has grown with 80% of UK school's taking part. Each year there is a theme and this year the theme is CHOOSE RESPECT. On Tuesday 12th November we ask that children wear odd socks to school. This highlights that we are all unique. The anti bullying campaign is shared in the media and a number of influencers and celebrities support anti bullying week and help by using their voices. Assembly on Wednesday will focus on this and a wealth of resources will be shared with children

## Remembrance

dates early next week and share them with you, as we are conscious that you may need to book time off work.

### *School Council*

Our School Council will represent our school at The White Swan Centre as part of the community Remembrance Service on Monday 11th November. Age appropriate assemblies will take place in school.
