Parking

Parents have raised concerns with regards to some parents who choose to park on the grass in the outer car park. Please park in an allocated bay or park across the road at Lidl. We politely ask that you put the safety of our children first and respect the environment.

Staff Car Park

Please park in the outer car park when you are dropping off or collecting from Out of School

The School Council met with the Regional Catering Manager to discuss the current lunchtime offer. Their ideas have been gathered with some changes to be considered. Some immediate changes for all children include the following. The Deli Bar will be reintroduced. You can book this option under the sandwiches area and will include options such as, B.L.T. Sweet Chilli Chicken, Chicken and Mayo etc. There is a choice of baguette, wrap or bap. In addition, further to some parental comments, ham sandwiches will always be available, rather than certain days being meat free. A survey will be circulated next week to Parents/Carers.

Planned Caretaker Absence

Westmoor Primary Needs You!

Mr Baston has an operation planned on December 4th and will be absent from school for the remainder of the term. In anticipation of possible further frost or snow, we really would appreciate parent volunteers to assist with gritting or snow clearing. If we need support we will e mail on school comms for any available parents with shovels! We do have a risk assessment for snow clearing which you would need sight of first, so on these occasions please report to the school office first. Thank you so much in advance

Breakfast

Please ensure that your child does not enter school eating pastries. Breakfast should be consumed before coming onto the school yard.

Club. Thank you to those parents
who have already done this.
